**07RFP54399YA-DR Juvenile Court Literacy Enhancement Program**  
**Addendum No. 1**  
**Page Two**

This Addendum forms a part of the contract documents and modifies the original RFP documents as noted below:

1. On page 20, #2 (Program days and hours) the text indicates that activities should be scheduled 4:00 till 6:30. Must the activities occur during this time period?

**Yes, because it the highest time period for delinquency and provides an opportunity for students to come to tutorial immediately following school.**

2. We would like to provide activities 6:00 till 8:00. Is this allowable?

**It is not preferable**

3. Must activities occur 3 days a week?

**Yes, activities should occur at a minimum three days a week.**

4. Our next question is about the need for summer to be maintenance.

If we start the program in the summer, we will be unable to provide maintenance since we would not have had any instruction previously.

**The program should begin after two weeks of the notice to proceed with a tentative start date of March 1<sup>st</sup>. A summer maintenance program would be to support the efforts for the same group of 30 students that attended the March- May session.**

5. Is there a certain page length you are looking for?

**We do ask that each submission to be kept between 3 to 5 pages in length.**

6. The RFP indicates that we must have 15 volunteers and 30 students.

**Minimum of 30 students and 15 volunteers—More volunteers are allowable**

Can we have more than 15 volunteers? Additionally, can those volunteers be paid?

**Volunteers typically donate their time, payment or stipends would be up to the successful vendor.**

**The contract period has changed to end September 15, 2007. Therefore a Fall tutorial session will not be required.**
